AB 2464, Gatto. Professional sports facilities: safety.

Existing law makes it unlawful for any person attending a professional sporting event to throw any object on or across the court or field of play with the intent to interfere with play or distract a player, or enter upon the court or field of play without permission from an authorized person any time after the authorized participants of play have entered the court or field to begin the sporting event and until the participants of play have completed the playing time of the sporting event.
